

Senior GPU Engineer

Openings: 1 (Los Altos, CA), 1 (Bangalore, India)

Experience: 10+ years (Los Altos), 5+ years (Bangalore)

Employment Type: Consultant (Los Altos), Full Time (Bangalore)

Job Description:

Looking for a consultant with expertise in GPU optimization for DSP algorithms. Candidate should be familiar with a wide variety of GPUs including mobile GPU platforms. Background in DSP algorithms is required to successfully migrate C/C++ code into various GPUs.

Should have expertise in:

- DSP algorithms
- Floating point and fixed point implementation of real time data processing
- Cuda/OpenGL/OpenCL experience

Nice to have expertise in:

- Mobile GPU technologies
- Vulkan/Metal APIs
